

Toro Ag offer a comprehensive range of polyethylene fittings.

Valve Director

To connect lines to threaded fittings.

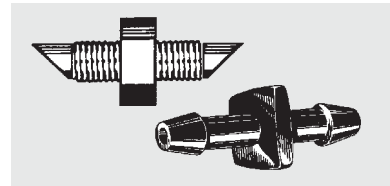

- 1011060: 13 mm tail x 15 mm BSP male.
- 1011061: 13 mm tail x 20 mm BSP male.
- 1011062: 13 mm tail x 25 mm BSP male.
- 1011063: 19 mm tail x 15 mm BSP male.
- 1011064: 19 mm tail x 20 mm BSP male.
- 1011065: 19 mm tail x 25 mm BSP male.
- 1011066: 25 mm tail x 20 mm BSP male.
- 1011067: 25 mm tail x 25 mm BSP male.
- 1011068: 32 mm tail x 25 mm BSP male.

Barbed Tee

Used to connect three poly lines.

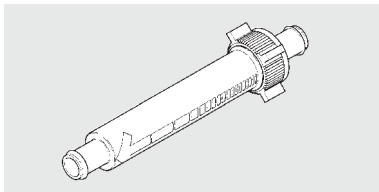

- 1011009: 4 mm barbed tee
- 1011011: 13 mm barbed tee
- 1011012: 16 mm barbed tee
- 1011013: 19 mm barbed tee
- 1011014: 25 mm barbed tee
- 1011008: 32 mm barbed tee

Adaptor

To connect main and feeder lines.

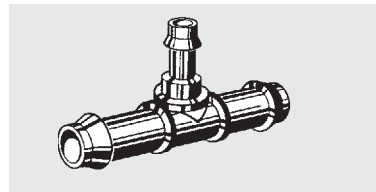

- 1011040: 4 mm adaptor, screwed.
- 1011041: 4 mm takeoff (joiner), barbed.
- 1011055: 4 mm adaptor, threaded/barbed.
- 1011047: 5 mm tube offtake (joiner) barbed
- 1011057: 5 mm x 10 mm barbed offtake (use 1011146 punch).

Barbed In-Line Filters

Removes foreign matter from water supply.

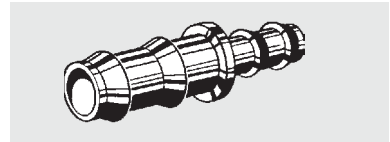

- 1011111: 13 mm barbed filter
- 1011113: 19 mm barbed filter
- 1011114: 25 mm barbed filter
- FFP1160: Filter replacement Cartridge

Barbed Reducing Tee

To connect a smaller line to larger lines.

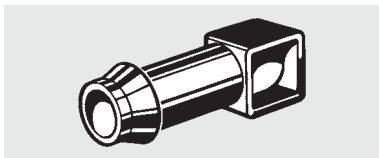

- 1011021: 19 mm x 13 mm branch.
- 1011022: 25 mm x 13 mm branch.
- 1011024: 25 mm x 19 mm branch.
- 1011025: 32 mm x 25 mm branch.

Barbed Reducing Joiner

Used to join poly feeder lines.

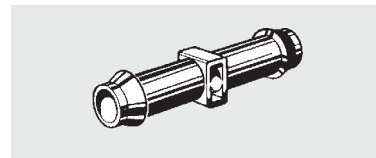

- 1011057: 5 mm x 10 mm barbed off take (use 1011146 punch).
- 1011050: 13 mm x 10 mm joiner.
- 1011051: 16 mm x 13 mm joiner.
- 1011052: 19 mm x 13 mm joiner.
- 1011053: 19 mm x 16 mm joiner.
- 1011054: 25 mm x 19 mm joiner
- 1011072: 32 mm x 25 mm joiner.

Barbed End Plug

Used to permanently seal poly lines.

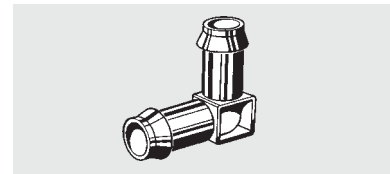

- 1011098: 13 mm barbed end plug
- 1011089: 16 mm barbed end plug
- 1011099: 19 mm barbed end plug
- 1011090: 25 mm barbed end plug
- 1011095: 32 mm barbed end plug

Barbed Joiner

To connect main and feeder lines.

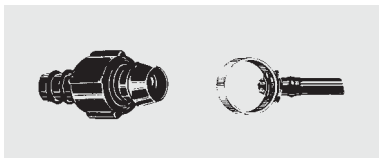

- 1011042: 10 mm barbed joiner.
- 1011043: 13 mm barbed joiner.
- 1011044: 16 mm barbed joiner.
- 1011045: 19 mm barbed joiner.
- 1011046: 25 mm barbed joiner
- 1011056: 32 mm barbed joiner

Barbed Elbow

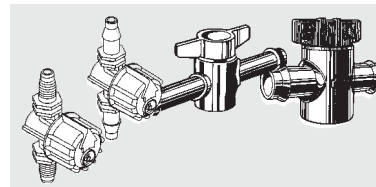

Used to change the direction of lines.

- 1011069: 4 mm elbow.
- 1011071: 13 mm elbow.
- 1011073: 19 mm elbow.
- 1011074: 25 mm elbow.
- 1011070: 32 mm elbow.

10mm Offtakes

- 1011160: 10mm Compression offtake (suits Layflat and LD poly)
- 1011170: 10mm Grommet Take-off complete (To connect 10mm LD poly tp PVC)

In-Line Tap

Used to turn off supply to poly lines.

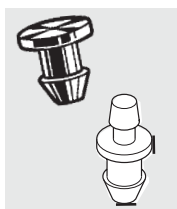

- 1011100: 4 mm threaded in-line tap.
- 1011102: 4 mm barbed Veri-Flow® tap.
- 1011101: 13 mm barbed in-line tap.
- 1011103: 19 mm barbed in-line tap.
- 1011105: 25 mm barbed in-line tap.

Ratchet Clamp

For securing fittings to poly lines.

- 1011151: Ratchet clamp to suit 13 mm I.D. tube.
- 1011152: Ratchet clamp to suit 16 mm I.D. tube.
- 1011153: Ratchet clamp to suit 19 mm I.D. tube.
- 1011154: Ratchet clamp to suit 25 mm I.D. tube.
- 1011150: Ratchet clamp to suit 32 mm I.D. tube.
- 1015655: 16mm Ratchet clamp to suit Drip-In.
- 1015657: 20mm Ratchet clamp to suit Drip-In.

Repair Plug

For repairing wrongly punched holes.

- 1011159: Sealing Plug (Goof Plug) - 4mm
- FPG02: Double Sided Goof Plug 5mm x 8mm, (suit drip or Waterbird® repair)
